In Maths and English, the children build upon the work previously started in Form One, as well as tackling new topics as detailed below.

MATHS

The children learn to recognise larger numbers through an understanding of place value i.e. thousands, hundreds, tens and units. They continue learning their times tables, they work using money and time, discover fractions, symmetry, venn diagrams and block graphs, and begin knowing how to share and divide numbers with remainders.

ENGLISH

In English each week the children learn a set list of spellings and during the year a lot of effort is put into developing handwriting. Children are encouraged to read as much as possible and books are changed on a daily basis.

FORM TWO

HISTORY

In History the children study Homes in the Past, The Great Fire of London, famous people and also compare seaside holidays now to those in the past.

GEOGRAPHY

During our Geography lesson we look at different countries in our topic 'Where in the World is Barnaby Bear' and back up our study of the oceans and seaside with a visit to the Blue Planet Aquarium. We also study An Island Home and Map Skills.

SCIENCE

Our Science curriculum is equally varied with lessons on Health and Growth, Planets and Animals in their local environment

ART AND DESIGN

Our art work is covered under the themes of Can Buildings Speak, and Mother Nature Designer. We also study the works of the artists Lowry and Mondrian and produce portraits and work using techniques such as weaving.

DESIGN AND TECHNOLOGY

In design and technology children study Homes, Moving Pictures and Joseph's Coat.

R. E.

In R. E. we study a broad curriculum including Important People in Religion, Symbolism, Festivals and Sacred Books.

P.E.

Form Two have their P.E. lesson on a Thursday afternoon. Please ensure they come to school in their full Branwood P.E. kit on both Thursdays and Fridays.

I.C.T & MUSIC

Children have a weekly ICT class and Music lesson.
